👁 Life and Times on Our Wedding Day 👁

Starting our life together in Canada was tough when the average yearly income was just \$5,194.90!
But then when John G. Diefenbaker was Prime Minister, a house cost only \$18,412.80.
Milk cost only forty-nine cents a half gallon, 10 lbs of potatoes cost 60¢ and 64¢ would bring home the bacon.
Back then we could buy a loaf of bread at the grocery store for the 1959 price of nineteen cents!
Yes, those were the days when we listened to songs like, "Mack The Knife" and "Smoke Gets In Your Eyes".
And who could forget the enchanting melody of "Lonely Boy" ?
When we were glued to the television set, we watched "The Dinah Shore Chevy Show", the most popular American show in 1959.
